Competition Format

- The competition will be played under the rules of the [Regional Junior Secondary School Cup 2022](#).
- Separate competitions will be held for boys' and girls' teams.
- While the event becomes established on the school sport calendar, one division will be held for boys and one for girls. This will be revised in coming years as entry numbers increase.
- Each team must consist of between 4-6 players.
- Each tie will consist of 4 singles matches and 2 doubles matches.
- Gold, silver, and bronze medals will be awarded to teams in all divisions.

Draw Format

- Badminton New Zealand will create the draws as per Cup Regulations 6. For clarity, Badminton New Zealand will endeavour to provide all teams with 4-5 ties across the event.
- In total there will be a maximum of 24 teams in the competition in 2022.

Player Details & Ranking Lists

- All teams must complete a player details form providing key details for all players.
- The team ranking list details the player order of all players in a team. When completing please list all players and all potential doubles pairings in ability order from first to last.
- Both forms are to be sent to jonathon@badminton.org.nz by 28th of October 2022.

Draw Format

- Throughout the third day of the event, Badminton New Zealand will deliver a relay event for all players.
- A relay is made up of a series of matches, with each match beginning at the previous score. An example may be when a match finishes at 21-17, the following matches begins with a score of 21-17 and continues until 42 points are reached (i.e., 42-35).
- All players from all schools will be mixed between teams of relatively equal strength. This has the benefit of both providing opportunities to meet new people, while also providing excited matches for all players.
- Each school's coach / manager will be assigned a team to support.
- The exact tie format will be determined following close of entries, however, will most likely be 2 doubles and 4 singles, each to 21 points (i.e., 126 points total).
