

## AGE GROUP LIMITATIONS: MOVING FROM EDUCATION TO EXECUTION.

- A REMINDER - U13, U15, U17 and U19 Sanctioned Events have a four-year participation window, i.e., players must be turning either 9, 10, 11 or 12 to participate in Under 13 events.
- Senior Events (including Internationals) will be restricted to players turning 15 or older.
- National Events will have the same restrictions except for Under 13s that must be turning 10, 11 or 12 (a three-year participation window).
- IA Bylaws already reflect minimum age for Senior Competition and the penalties that will incur if an U15 player plays (match defaulted).

Badminton New Zealand has an exemption process in place so that Associations can apply in exceptional circumstances for a player to compete above their eligible age.

## AGE GROUP EXEMPTION PROCESS

- The request must be submitted by Associations no later than 7 days prior to the Event Entries closing through the following form <https://badminton.org.nz/events/age-dispensation/>
- Requests will not be considered if received directly from parents or players.
- Upon receipt of the form, Badminton New Zealand Balance is Better Lead - Donna Trow will engage in conversations with the Association and relevant Badminton New Zealand

staff members before reaching a final decision. Note that it is intended that this process is collaborative, however a high bar for approval will be required.
