12. Once a player has qualified for the knockout stage of any event, or from the quarter-final stage (whichever occurs first), any retirement or withdrawal from one event shall require the player to be withdrawn from all other events in which the player is entered, including events still in group play.
13. \*Exception: If a player withdraws or retires from an event with less than eight (8) entries, they are not required to withdraw from any other event in which they are entered.
